World Education Fund-Information and Instructions

Vision: We envision a world where poverty is not a barrier to basic educational opportunity, that God may be glorified. The glory of God is intelligence, light, and truth. Education is critical in understanding the scriptures and our part in the Lord's work.

Mission: The World Education Fund exists to provide tuition scholarships for children whose families would otherwise not be able to supply those costs.

1. World education scholarships are available for motivated, capable students of good character whose families would otherwise not be able to afford tuition costs.
2. World education scholarships are available for tuition costs only.
3. World education scholarship funds are paid directly to the schools involved.
